The Touchstone

In the morning Light I see You... and then
At Dusk, I pray for strength from You.

In the Twi-Light of the Star-Night
I am awed by the Sight of the Lights in the Sky that
Praise You...

Work awaits me in the morning, the
Search for something that will save my heart.
So I pick up every stone and then I
Touch it to my Soul and then I
Wait to see if You have blessed this
Moment...
Why, oh God is Life but just a
Moment?

Then I start again to search for you.

In the Twi-Light of the Star-Light
Night is fighting, filled with
Might to stamp out every
Hope of morning's
Light...

So I start again to search for You.

In the twinkling, fleeting, glistening of
Sun on the Sand
I can look in my Hand and
Find in its grasp the chance to
Give with every fiber
Even if my Life is just a
Moment...

Even if my Life is just a
Moment...

- Music & Lyrics by Stephen Melillo

Angels In The Architecture

I am an angel of Light
I have soared from above
I am cloth'd in Mother's love.
I have come, I have come,
To protect my chosen band
And lead them to the promised land.

- 19th Century Shaker Song
